

OUR LIVES CHANGE WHEN OUR HABITS CHANGE

Lighthouse CD of the Month Club Parish Program

Help your parishioners make (and keep) a New Year's resolution to grow in their Catholic Faith all year with a CD of the Month subscription drive.

*...and your parish will receive funds back every month!**

"I have listened to several of the talks since our parish started to carry the Lighthouse CDs. I can't seem to get enough of them! I am joining the CD of the Month Club and giving them to my family and friends. Thank you, Lighthouse Catholic Media, for such a wonderful program!"

It's so simple!

Work with your Account Manager to schedule a *CD of the Month Club subscription drive*. Simply pick a weekend in January or February, allow a two minute announcement to be made at the end of all the Masses, and people can sign up at a table in the vestibule. That's it!

No investment, no money management, no ordering, no risk. It's so easy!

What is the Lighthouse CD of the Month Parish Program?

Every month, the CD of the Month Club program delivers a new faith-filled CD presentation from the best Catholic speakers straight to subscribers' mailboxes for as little as only \$5.00 per month — and that includes shipping!

Subscribers may choose from three levels of participation: They may either receive one new CD title each month, or they may receive five or ten copies and hand them out to others!† The number of copies may be changed at any time, and a subscription may be canceled at any time. Club members are the first to receive the latest Lighthouse title each month (prior to their availability in the Lighthouse Kiosk Program).

Donation to your parish

Your parish is assigned a promo code, and then for each subscription your parish will receive funds back in the form of a donation from Lighthouse every month — perpetually!

** When donations accumulate to \$50, a check is sent to your parish.*

<i>Level of participation</i>	LEVEL I Personal Enrichment	LEVEL II Friends and Family	LEVEL III Friends, Family and Co-workers
<i>Cost to subscriber</i>	1 CD for \$5	5 CDs† for \$12	10 CDs† for \$18
