

1. **LITERAL** Sense

What is the “**plain meaning**” conveyed by its grammatical construction and historical context. The literal meaning is held to correspond to the intention of the authors. All other *Senses* of Sacred Scripture are based on the *Literal*.

2. **SPIRITUAL** Sense

Three categories: Allegorical, Moral and Anagogical

ALLEGORICAL Sense

How does this relate to Christ

MORAL Sense

How does this relate to me

ANAGOGICAL Sense

How does this relate to me

The **LITERAL** Sense speaks of Deeds; the **ALLEGORICAL** to Faith; the **MORAL** - How we should live/act; the **ANAGOGICAL** – To our destiny.
