

## Divine Renovation

Divine Renovation is the answer to a question that parishes across the world have grappled with for decades. How do we continue to bring people to Jesus Christ in a society and culture are constantly moving away from that relationship? From declining numbers to passive experiences of church, the obstacles for parishes are real. What would it look like if a parish was full of missionary disciples on fire for mission? What could a pastor accomplish if they had the energy and capacity to lead? These are the questions that our books, podcasts, resources, and coaching help parishes wrestle with.
